

Frequently Asked Questions

Q: Where do I go for a Yellow DOT packet? Tellico Village Volunteer Fire Dept.

Q: What is included in a Yellow DOT packet? Yellow DOT folder, vehicle decal, medical information sheet, and instruction brochure.

Q: Can I get more than one Yellow DOT packet? Yes, you can get a Yellow DOT packet for every vehicle you drive.

Q: Can I fill out the medical information form for passengers in my vehicle? Yes, you should complete the medical information form for any other driver(s) or passenger(s) of your vehicle, especially if they have a specific medical need (i.e. medical allergy, diabetes, heart problems).

Q: Where does the Yellow DOT decal go on my vehicle? The Yellow DOT decal should be placed on the driver's side rear window of the vehicle. There's also a smaller decal for motorcycles. Place the decal on the "triple tree" of the motorcycle and put the packet in the saddle bag/compartment.

Q: What happens if I don't have my photo on the medical form? The photo is crucial to the success of the program. Yellow DOT is about saving those precious seconds immediately following a serious incident. Having a photo identifying to whom the medical form belongs will save time and possibly your life. Please make sure a photo(s) is included with each medical information form.

Q: What happens to my personal information? Only you have access to the information in your glove compartment. The information is not kept by any agency or another person.

Q: Is my social security number needed on the medical information form? No.

Q: Do I have to pay to participate in the Yellow DOT program? No, the program is free.
